To set your application look & feel preference go to **Account > Summary > My Preferences**. Here you can customize the **Application Theme**. Choose from:

- Account Default (this is the application theme that your Account Administrator has set up).
- Enterprise Experience (pictured above)*
- Modern Theme
- Classic
- Professional

You can also elect to **Show Success Alerts** on this tab. These are the messages that slide out to let you know an action is completed.

Custom Branding

SurveyGizmo Account Administrators can take advantage of the Custom Branding option. Go to Account > Summary > Look and Feel and select the Custom Branding option.

Look and Feel	~
Default Application Theme	Modern Theme — Clean and clear. This theme puts your productivity first.
	 SurveyGizmo Theme A bright, fun, whimsical and fresh skin for that shows our true colors.
	 Strictly Professional A conservative theme designed for a more corporate environment.
	Custom Branding Display your logo and colors in the application.
Ap	oplication Custom Branding

From here you can customize your SurveyGizmo application to your heart's content. Below we'll cover what each option affects.

Theme branded login URL

If you are applying Custom Branding to your SurveyGizmo account, the **Theme branded login URL** will need to be used by all users logging into your SurveyGizmo account. Using this link will present users with a login page that has custom branded theme you design below and ensure that users see the customized branding in the application.

Theme branded login URL	https://app.	.com/login/v1?c=1						
	Theme Branded Login URL							

Logo

Specify a URL for your custom logo. This can be hosted in the SurveyGizmo File Library if you wish.

Logo URL	//url
250 x 45px suggested	

Finally, you can affect the Background, Text and Link colors for the following areas of the SurveyGizmo application.

	Background	lext	Link
Header	#ffffff	#777777	#336699
Window	#51B4D3	#FFFFF	#FFFFF
Content	#FFFFF	#44444	#336699
Panel	#7C6093	#FFFFF	#FFFFF
Buttons	#C7E6EF		
Border	#C7E6EF
