The screenshot shows the 'Multiple Choice Options' interface. On the left, there is a list of six color options: Red, Yellow, Blue, Purple, Green, and Orange. Each option is in a text input field with a pencil icon and a red 'X' icon to its right. Below the list is a button that says '+ Click to Add Option' and two links: 'Add "Other", "N/A", etc' and 'Paste in Options'. On the right side, there are two tabs: 'Common Answer Library' and 'Advanced Option Setting'. A blue sidebar titled 'Getting Started Guide' is open, containing text about Radio Buttons and a link to a 'Dropdown Menu'.
