

Reorder Grid Rows

If you need to reorder rows within your grid question, first edit the question on the **Build** tab.

How often do you use social media?

	Never	Rarely	Sometimes	Often	Always
Facebook	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Twitter	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Linkedin	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Google+	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

ID: 6

Add New: [Question](#) | [Text/Media](#) | [Action](#) | [From Library](#)

Context menu options: Edit, Move, Copy, Remove

To reorder grid rows within your grid question, **click and hold** the arrow icon on the far right of the row and drag it to its desired location.

+ Click to Add Option Paste in Options

Row Headers

- Facebook   
- Linkedin   
- Twitter   
- Google+
